Tips on making an effective submission

The Mayor and Councillors want to understand your thoughts before they make final decisions on the Ten Year Plan. They therefore encourage you to make a submission.

To make your submission as effective as possible, you may wish to consider the following tips:

1. Make it clear what you are supporting in the draft Ten Year Plan and what you are opposing and your reasons why.
2. If you want to add new projects or expenditure into the Ten Year Plan, give an indication of what the new project is and:
   - The projects or expenditure items in the draft Ten Year Plan that you think are lower priorities and which can therefore be removed, and
   - How the project or expenditure could be funded (user fees, development contributions, general rates, targeted rates).
3. If you think expenditure (and consequently rates) is too high, tell us the expenditure or projects in the draft that you think are low priorities.
4. Consider the timing of a project when making your submission. For example, the Museum is not planned to start construction until the 2008/09 year. Therefore there is only a minimal impact on rates in the earlier years.
5. Note that the Mayor and Councillors have specifically drawn your attention to the issues in the "Major Focus" and "Major Projects - Issues and Options" sections. These two sections outline what they consider to be the important issues to be considered by our City over the next ten years. Submissions on the issues covered by these sections will be particularly helpful to the Mayor and Councillors when making decisions on the final Ten Year Plan.

All submissions will be acknowledged in writing. All submissions will be made available to the Mayor and Councillors who will consider the views and comments expressed when finalising the Ten Year Plan. All submissions are made available to the public.

You are welcome to speak to the Mayor and Councillors at a meeting to support your submission. Please let us know if you wish to do so and the day that would suit you best. We will then contact you with a time.
